

HAPPY HOLIDAYS
WE NEED YOUR HELP

'TIS THE SEASON OF GIVING !!!

Please donate dry cat food, wet canned cat food, and cat litter. This food and litter is needed for cats and kittens living in foster homes waiting to be adopted. This food will also be used to feed feral colonies of cats and kittens.

If you would like to make a monetary donation to the spay/neuter, vaccinations, and vet care of adoptable and feral cats and kittens, please call MY PET'S VET at 239-368-8387. Tell them you are donating and sponsoring cats and kittens in the account name of Franklin Family Pride.

Thank you for helping. Their innocent little lives depend on you.

If you are interested, or if you know of someone interested in adopting, fostering, or volunteering, please email us at franklinfamilypride@yahoo.com

For other items for donation email us at franklinfamilypride@yahoo.com - crates, kennels, litter boxes, blankets, traps, condo's, etc.
